Talkin' Talkin'

Moody Blues

Talkin, talkinIt doesn't really matter
If you know my name
It doesn't really matter
If you see things the same as I doIt doesn't even matter
If I'm tied and tense
It doesn't even matter
If I'm still making sense over youI'm just talkin, talkin
Talkin, talkin
Cos I'm only talkin, talkin
Talkin, talkinIt doesn't matter
What the people
All around you say
Be careful how you listenThey don't know you
The way that I do
And if you wanna
Talk about it, babyThat's alright
It's better if I say it
Than to sit down
And write it to youI'm just talkin, talkin
Talkin, talkin
Cos I'm only talkin, talkinIt can be that
You're here with me
When I'm standing out on my own
The words of love that you gage
When we were aloneIt doesn't matter
If you want to
Rock and roll all night
I know you're gonna
Be there when the
Feeling is rightThe feeling is right
The feeling is rightI'm just talkin, talkin
Talkin, talkin
I'm just talkin, talkin
Talkin, talkinYou know I'm just
Talkin, talkin, talkin, talkin
