Spam, it's pink and it's oval  
Spam, I buy it at the Mobil  
Spam, it's made in Chernobyl  
SpamWhen I was a child  
My family was so poor  
They didn't have the finer things  
In life to eatSo they had a plan  
In a big blue can  
The government substitute  
For meat, it wasSpam, it's pink and it's oval  
Spam, I buy it at the Mobil  
Spam, it's made in Chernobyl  
SpamTo get me to eat it at dinner  
They said I'd grow up like Bruce Jenner  
He was a winner  
That never knew defeatAnd when he got hungry  
When he got hungry  
He cracked open that special treat  
It wasSpam, it's pink and it's oval  
Spam, I buy it at the Mobil  
Spam, it's made in Chernobyl  
SpamS P A M  
Don't you know it's my best friend  
S P A M  
Again and again and again and againS P A M  
Don't you know it's my best friend  
S P A M  
Again and again and again and againSo go and forget your O S C A R  
There's one meat by-product  
That's best by far  
It'sSpam, it's pink and it's oval
