

Draw a Line

Dinosaur Pile-Up

I drew a long line
A very long line
Woah
Around my life
Then I threw it away
Woah
And now you waste my time
So frustrating
Makes me wanna quit you So I
I drew a long line
A very long line
Woah
So try and tell me
Try and tell me
Who yeah
Stole all your money
Who Yeah
Burnt all the clothes you own Who Yeah
Who Yeah
Who Yeah
Put you in the corner You built a house in your very own town
Woah
Became the mayor then you burn it all down
Woah
You wanna make me cry
You're too late
I've never been so happy so I
Made up my mind
Yeah I drew a long line
Woah
So try and tell me
Who yeah
Stole all your money
Who yeah
Burnt all the clothes you own Who yeah
Who yeah
Who yeah
Put you in the corner Who yeah
Stole all your money

Who yeah
Burnt all the clothes you ownWho yeah
Who yeah
Who yeah
Put you in the cornerWho yeah
Stole all your money
Who yeah
Burnt all the clothes you ownWho yeah
Who yeah
Who yeah
Put you in the corner
