

I'll Be Satisfied

Don Covay and the Goodtimers

Just a kiss, just a smile
Hold my hand, baby, just once in a while
That's all I need, that's all I need
And I'll be satisfied
Think of me when you're away
Call me 'Darling' just once a day
That's all I need, that's all I need
And I'll be satisfied
True love came to me when I met you
True love makes me know I won't forget you
When you're around me it makes me feel
Life is worth living, baby, love is so forgiving
Just a kiss, just a smile
Hold my hand, baby, just once in a while
That's all I need, that's all I need
And I'll be satisfied
Well, true love came to me when I met you
True love makes me know I won't forget you
When you're around me it makes me feel
Life is worth living, baby, love is so forgiving
Think of me when you're away
Call me 'Darling' just once a day
That's all I need, that's all I need
And I'll be, no, no, no, no, no, no, no
That's all I need, that is all I need
And I'll be, yeah, yeah, yeah, yeah
That's all I need, that's all I need
I'll be so satisfied
That's all I need, baby, that's all I need
And I'll be, baby, baby, baby, baby, baby
