Going Nowhere

Down With Webster

The first thing that I see when I wake up

Are the stars in my eyes, oh oh, whoa oh oh oh, oh oh, whoa oh oh

We've waited our whole lives and now it's time to shut shit down

So don't act surprised, oh oh, whoa oh oh, oh oh, whoa oh oh

So love it or hate it we own it
We did it, we made it, we done it
We're finally, we're finally here, we're finally here
And we ain't going nowhere

So look at us now
We did it all for this
And we are, and we ain't going nowhere
So look at us now
We were made for this
And we are, and we ain't going nowhere

It's you and me on the rise, we'll never back down
I gotta get what's mine, oh oh, whoa oh oh oh, oh oh, whoa oh oh
We kicked down all these doors just to get here tonight
and baby it's our time, oh oh, whoa oh oh, oh oh, whoa oh oh

So love it or hate it we own it
We did it, we made it, we done it
We're finally, we're finally here, we're finally here
And we ain't going nowhere

So look at us now
We did it all for this
And we are, and we ain't going nowhere
So look at us now
We were made for this
And we are, and we ain't going nowhere

So we ain't going nowhere
We ain't going nowhere
We ain't going nowhere
Going, and we ain't going nowhere

You see me coming up, you should've took that as a sign

Now everywhere you look I'm really not that hard to find
I remember working overtime, trouble on my mind
Now I'm cashing out like Johnny but I will not walk the line
They told me take your time until it's your time to shine
Well, tonight I'm taking over like the world is finally mine
Well I run it, run it, run it
Well I run it, run it, run it

So love it or hate it we own it
We did it, we made it, we done it
We're finally, we're finally here, we're finally here
And we ain't going nowhere

So look at us now
We did it all for this
And we are, and we ain't going nowhere
So look at us now
We were made for this
And we are, and we ain't going nowhere

So we ain't going nowhere
We ain't going nowhere
We ain't going nowhere
Going nowhere, going nowhere

So we ain't going nowhere
We ain't going nowhere
We ain't going nowhere
Going, and we ain't going nowhere
