

Quisiera

Culcha Candela

Chorus: muchos años han pasado
so many days them pass but there nothing ever change no
muchos planes se han tratado
so many plans have been made up to break out your control
miles promesas del estado
so many promises and lies that will never ever come true
pero no hay nada que haya cambiado
we all go stand up tall and unite all people
mi mission es presentar mi tierra y su bandera
luchar por mis derechos como Nelson Mandela
quiero justicia y libertad
nada mas que la verdad
para acabar con la Guerra y rescatar la humanidad
poder unir latinoamerica entera quisiera
poder sentir y ver la union verdadera quisiera
y que el mundo tuviera una sola bandera eso quisiera
que ser humano no fuera una fiera Chorus well me say yes we gonna move out the darkness
break your oppression all raise up we first
jaja bless the one who be true and conscious
the one who stand strong inna all a di mess
well me say yes babylon them can't come fi test
we don't trust politician we gon make progress
we gon diss corruption and force politics
we gon take any risk while we are fighting for justice
