Souled Out

Same Difference

(Hey!)Cause I know the truth
If you leave me hanging
No more keeping secrets to myself
Cause when I'm with you
It's a perfect feeling
I never felt this way with anyone elseCause I never knew how love could move you
Feels like a river running through you
And I can't resist at all
I'm souled out
But I wanna give you everything
I can't hold out
For a moment more
Wanna jump right in
I'm souled out
Now it's all about the little things
I can't hold out
I got no doubt
I'm souled out(I'm souled out, oh)I know for sure
I can't only follow
I will [?]
Cause I never know how to live without you
I haven't changed since the day I found you
And I can't resist at all
I'm souled out
But I wanna give you everything
I can't hold out
For a moment more
Wanna jump right in
I'm souled out
Now it's all about the little things
I can't hold out
I got no doubt
I'm souled out(I'm souled out)Cause I never knew how love could move you
Feels like a river running through you
And I can't resist at allI'm souled out
But I wanna give you everything
(Wanna give you everything)
I can't hold out
For a moment more

Wanna jump right in
(Wanna jump right in, yeah)
I'm souled out
Now it's all about the little things
(All b-b-b-bout the little things)
I can't hold out (oh-oh)
I got no doubt
I'm souled outI'm souled out...
