

Caught Up In The Rapture (Jungle Radio Mix)

Anita Baker

CAUGHT UP IN THE RAPTURE

Anita Baker When we met, I always knew

I would feel the magic for you

On my mind constantly

In my arms is where you should be I love you here by me, baby

You let my love fly free

I want you in my life for all time Caught up in the rapture of love

Nothing else can compare

When I feel the magic of you We stand side by side

Till the storms of life pass us by

Light my life, warm my heart

Say tonight will be just a start I love you here by me, baby

You let my love fly free

I want you in my life for all time Caught up in the rapture of love

Nothing else can compare

When I feel the magic of you

The feeling's always new

Caught up in the rapture of you I love you here by me, baby

You let my love fly free

I want you in my life for all time Caught up in the rapture of love

Caught up in the rapture of love
