Linton Kwesi Johnson

Mek them Gwaan  
No outcome  
But a reel of the real writers storm  
Mek them Gwaan  
No outcome  
But a wheel of the real writers storm  
What a cheek  
Them think we meek  
And we can't speak up for we self  
What a cheek them think we meek  
When we can't stand up 'pon we feet But make them gwaan  
No outcome  
But a reel of the real writers storm  
Mek them Gwaan  
No outcome  
But a wheel of the real writers storm  
For in the end we'll walk thru the storm  
The SWE  
Can't set me free  
The IMG  
Can't do it for we  
The communist party  
Cho' them too arty-farty  
And the liberal rights men  
Not go fight for your rights  
So  
Mek them Gwaan  
No outcome  
But in the end as we'll walk right thru the storm  
So  
Mek them Gwaan  
No outcome  
But in the end as we'll walk right thru the storm  
What a cheek  
Them think we meek  
And we can't speak up for we self  
What a cheek  
Them think we weak  
And we can't stand up 'pon we feet

But make them one  
No outcome  
And in the ends we'll walk right thru the storm  
So make them one  
No outcome  
And in the ends we'll walk right thru the stormThe CRE can't set me free  
The TUC can't do it for me  
The Liberal Party them is not very hearty  
AND  
The Tory Party  
I no feel no partySo  
Mek them Gwaan  
No outcome  
But a reel of the real writers storm  
So  
Mek them Gwaan  
No outcome  
But a wheel of the real writers storm
