

# The Unloved

## Backstreet Boys

Hey, hey This ones for the mothers whove lost a child  
This ones for the gypsies who left their hearts behind  
This is for the strangers sleeping in my heart  
Take what they want and leave while its still dark No one is glamorously lonely  
All by themselves, all by themselves This is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind  
Its a song for the unloved, the unloved This ones for the bridesmaid, never the bride  
And this ones for the dreamers who locked their faith inside  
And this is for the widows who think theres only one  
Of the dying fathers who never told their sons No one is glamorously lonely  
Follow your heart  
Follow your heart This is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind  
Its a song for the unloved, the unloved Oh, tomorrow the sun will shine  
And dry the tears in your eyes  
Suddenly love comes alive  
Suddenly love comes alive For one last cry  
Just one last cry  
Oh, yeah This is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind This is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind This is, this is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind  
Its a song for the unloved
