

# We Are

## Vertical Horizon

We are

We are

We are

We are Take a listen through the window

Take a lover on the radio

Ask her if she's got an answer

Do you know? Time enough to get a good one

Though they never seem to get done

I am standing for a reason

Do you know? 'Cause I don't know how

I don't know where

We are

We are And I don't know why

I don't know if

We are

We are Seven days and not a return

Seven lives and not a thing learned

Take a lover on the highway

Do you know? 'Cause I am sleeping on a time bomb

And I am waiting for the light to come

You and I could get away now

Do you know? 'Cause I don't know how

And I don't know where

We are

We are And I don't know why

I don't know if

We are

We are I get up sometimes

Like somebody else

Am I just wasting time

For somebody else? Take a listen through the window

Another lover on the radio

Ask her if she's got an answer

Do you know? 'Cause I don't know how

And I don't know where

We are

We are And I don't know why

I don't know if

We are

We are And I don't know how  
I don't know where  
We are I don't know why  
I don't know if, if, if, if  
We are  
We are
