

I Love You Like That

John Rich

Lord only knows, just how far I would go
To show you the way that I feel
This rumbling inside me, continually drives me
Like ten thousand chariot wheels Oh, I love you like that
Yes, I love you like that
Anything, anywhere, it's beyond all compare
Oh, I love you like that Like the mountains that rise
Almost touching the sky
As tall as the oceans are deep Like the stars of the galaxies
And everything in between
And farther than my eyes can see Yes, I love you like that
Oh, I love you like that
Anything, anywhere, it's beyond all compare
Oh, I love you like that, woah It's not enough to say
So, I'll show you everyday
How much your love means to me This promise, I'll make you
To never forsake you
To my dying day, I will keep Cause I love you like that
Oh, I love you like that
Anything, anywhere, it's beyond all compare
Yes, I love you like that I love you like that
Yes, I love you like that
Anything, anywhere, it's beyond all compare
Yes, I love you like that Yes, I love you like that
Yes, I love you like that
