

# Help Me Sleep

## Midtown

Shut this thing off  
I can't take  
Anymore  
The weight is gone  
Still I can't  
Let it go I can't take anymore  
Is this all we are  
Can you help me sleep again My body's numb  
What I touch  
Turns to stone  
The more I know  
The less I know  
The more I'm lost Make me forget all  
Cause I can not remember anymore  
Anymore  
Any
