Tennis Elbow

Sky Sailing

Cell phones and travel stations Ringtones and new relations Say hello to all your friends for me Several calls I made to Thailand Wound up in Prince Edward Island And my head feels like it's ready to blowI served and scratched a rainbow So curved, I felt the pain go Through my joints and now I don't wanna play Swinging down, I sent the birdie Downtown at 7:30 And I'm convinced that I've got tennis elbowWe are lost in the sound Close your eyes and I will twirl you around We are lost in the sound Close your eyes and I will twirl you around We are lost in the sound Close your eyes and I will twirl you aroundWe are lost in the sound Close your eyes and I will twirl you around We are lost in the sound
