Long Distance Relationship

Asia Cruise

[Verse 1:]It's been 2 months and 20 days the last time I layed my eye on you
And I'm sick and tired of not bein around you
And I'm sick and tired of not seein your face
And baby I no that its killin you too
I can hear it in your voice when I'm talkin to you
On the fone late at night
My conclusion is...bein alone ain't right
So confused babe
[Chorus:]Cuz some nights I cry
Thinkin about you baby can't do without you baby please believe me
That some nights I cry
Thinkin about you baby
I can't handle this long distance relationship
Yea yea yea yea yea yea
(long distance relationship) yea yea yea yea
See IIIIII.....
[Verse 2:]
