

# Let Me See Em Up (feat. Swizz Beatz)

## Snoop Dogg

[Intro: Snoop Dogg]

Go! Swizzy! Snoop Dogg! [Verse 1: Snoop Dogg]

I'm in the zone like, lockin' alone like  
Niggas keep talkin' but I'm sittin' on the phone like  
Picking a bone like, sittin' on my throne like  
Niggas is wrong like, singing' my song like  
My nigga I'm so tight, spitin' with gold mic  
Walk through a dark cloud, came out in a strobe light  
Rockin' a robe like, Hef with his hoes like  
Heavy is the head but to me its the soul like  
Eat with the rich and get back to the low lifes  
Cup with his Cool-Aid the flavor is so right  
Dip in and floss like, ship it in one night  
Fuck what it cost like, livin' the boss life

[Hook: Swizz Beatz & Snoop Dogg]

Lemme see em, lemme see em, lemme see em up  
Lemme-lemme see em, lemme see em, lemme see em up  
Snoop Dogg!

Aye, lemme see em, lemme see em, lemme see em low  
Lemme-lemme see em, lemme see em, lemme see em low  
Snoop Dogg!

Aye, now that's what's up [Verse 2: Snoop Dogg]

I'm back in my zone like  
Living a long life, stuffin' the bone like  
Puffin' a long night, pingin' the pong like  
Singin' a song like, King of the Kong like  
Godzilla fo'realla, my killas is so right  
If it don't go right, make sure you all ride  
Deuce deuce and a Tec-9 with a .4-5  
Niggas is so dead, my nigga I'm so live  
Back in my zone like niggas hittin' my phone like  
Shoot him some bail like, cuz he won't tell right?  
The homies don't act like, the homies don't act right  
Under interrogation becomes cooperation  
That's why I dealt like, solo and bolo like  
Kick a little ass and talk shit like I'm Dolomite  
Dip in and floss like, ship it in one night  
Fuck what it cost like, livin' the boss life [Hook: Swizz Beatz & Snoop Dogg]  
Lemme see em, lemme see em, lemme see em up
