

Your Arms Feel Like Home

3 Doors Down

I think I've walked too close to love and now I'm falling in
I felt so many things this weary soul cant take
Maybe you just caught me by surprise
The first time that I looked into your eyes And theres a life inside of me that I can feel again
Its the only thing that takes me where I've never been
I dont care if I lost everything that I have known
It dont matter where I lay my head tonight
Your arms feel like home, feel like home This life ain't the fairy tale we both thought it would be
But I can see your smiling face as it's staring back at me
And I know we both see these changes now
I know we both understand somehow Theres a life inside of me that I can feel again
Its the only thing that takes me where I've never been
I dont care if I lost everything that I have known
It dont matter where I lay my head tonight
Your arms feel like home, they feel like home to me
(Hold on, you're home to me, just hold on, you're home me) Theres a life inside of me that I can feel again
(They feel like home)
Its the only thing that takes me where I've never been
(They feel like home)
I dont care if I lost everything that I have known
(They feel like home)
It dont matter where I lay my head tonight
Your arms feel like home, feel like home, they feel like home
