My Confession

Otep

My confession, my confession
My confession, my confession
My confession, my confessionBecause I'm deluded and perfectly flawed
I shall live by passion and not by law
And I'm insecure, I need aggression
To feed the spiders of perceptionAnd I'm supposed to be strong
And have all the answers
A cannibal
In the new church of cancerBut I'm nothing special
I'm not unique
I have many secrets
And I eat the weakAnd I'm at an end
I'm at an end
I'm at an end
And there's no way outAnd I'm at an end
I'm at an end
I'm at an end
And there's no way outNo way out
No way out
No way outI need to find my sanctuary
Someplace safe
Gotta get this outta me
This is my escapeI need to find my sanctuary
Someplace safe
Gotta get this outta me
This is my escapeMy confession, my confessionI think about it all the time
I'm volatile and afraid to cry
But I'm still not comfortable in my skin
And the anesthetics slowly wearing thinAnd I need to talk to someone new
I need a different latitude
And I'm in this void all alone
Feeling needy, hungry to growBut I'm suffocating can't come down
And, no
There's no way out
There's no way outThere's no way out
No way out
There's no way out
No way outI need to find my sanctuary
Someplace safe

Gotta get this outta me
This is my escapeI need to find my sanctuary
Someplace safe
Gotta get this outta me
This is my escapeAll I see is sadness
All I see is sadness
What's left? What's left?
This will teach 'em
This will teach 'emYou've got to push, push, push
Your way out
Your way out
Your way outFollow me
Follow me
This is your way out
This is your way outYou are not alone
You are not alone
You are not alone
You are not alone
You are not aloneThis is where I hide my power
This is where I become free
This is where I take control
And slowly choke your fantasiesI want to know my day is coming
See my enemies be punished
Shed my skin again
This will be my best revengeShed my skin again
This will be my best revenge
Shed my skin again
This will be my best revengeShed my skin again
This will be my best revenge
Shed my skin again
This will be my best revenge
