Point The Finga

2pac

You could get the finga, the middle (Come and get some) Ahh yeah, they love to point the finga You could get the finga, the middle (Come and get some) Boom, boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some) Niggaz love to point the finga Boom, boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some) I thought I hit rock bottom, they ban my album, point the finga I guess nobody loves a real nigga-slash-rap singer I thought I'd bring a little truth to the young troops I brought proof that the niggaz need guns too It's not to be a racist but let's face this Wouldn't you if we could trade places? I got lynched by some crooked cops and to this day Them same motherfuckers on the beat gettin' major paid But when I get my check they takin' tax out So, we payin' for these pigs to knock the blacks out Ain't that a bitch? Some officers are gettin' rich Whoopin' on thugs and robbin' drug dealers for they shit As far as jealousy, bein' a celebrity No matter who committed the crime, they all yell at me And the media is greedier than most You could sell 'em your soul or they'll be on ya 'til a niggaz ghost And everyday I read the paper there's another lie They show my picture for the crimes of another guy Now, how's that for the life of a big shot? A dead cop, a law suit, a little kid shot I play them nuttin' ass marks in the park For tryin' to earn they stripes in the dark Just 'cause I come there, don't mean I from there, peep Only jealous motherfuckers beef and point the finga Boom, boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

Boom, boom, boom on your black ass, bitch
You could get the finga, the middle
(Come and get some)
Boom, boom, boom on your black ass, bitch

You could get the finga, the middle

(Come and get some)

Boom, boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

As I run up on 'em madman, a nutcase with a screw loose
A zoot troupe full of foolies with toolies
Niggaz run to me don't come to me with beef
Take your jewels and your jeep, boom, boom, let that ass sleep

It's gettin' hectic, niggaz run, quick
Buckshots are the payback for dumb shit
All you niggaz on the block tryin' to test me
Best wear a vest or get open like, Sesame
I'll run up on you mad deep while you're tryin' to sleep

I'm steady pumpin' bullets in your sheets
Wake up, motherfucker, don't stutter
Point blank by a nigga from the gutter, yeah
Gimme mine, gimme mine, gimme, mine
Ban my rhymes, now, I'm back to bustin', nines
And Bustaz can't get none, hell no
A quick flurry and he's buried with a swelled jaw

A quick flurry and he's buried with a swelled jaw
I came up from the amateurs to pro hits
At 5-0, so you know I take no shit

And everybody wants to kill a bringer
Of bad news, so they choose to point the finga
Boom, boom, boom on your black ass, bitch
You could get the finga, the middle
(Come and get some)

Boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

Boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

Boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

One, two, three, peace to the real G's Still me, 'til these motherfuckers kill me I bring skills and I build, kill at will Smoke sess 'til I'm ill, still feel me?

I say one, two, three, peace to the real G's

Still me, 'til these motherfuckers kill me

Pick it up, pick it up, give it up

Best to duck or get fucked for your bucks

Scream one, two, three, peace to the real G's

Still me, 'til these motherfuckers kill me

I can't give up, it's a black thang

And I ain't goin' back to the crack game

You can do it son, be a man and stand up or run

Bitches, let 'em point the finga

You can do it son, be a man and stand up or run
Snitches, let 'em point the finga
Yo, one, two, three, peace to the real G's
Still me, 'til these motherfuckers kill me
I guess nobody loves a rap singer

That's why these motherfuckers, point the finga Boom, boom, boom on your black ass, bitch You could get the finga, the middle

(Come and get some)

Boom, boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

Boom, boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

Boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

Boom, boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

Boom, boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

Boom, boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

Boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

Boom, boom, boom on your black ass, bitch You could get the finga, the middle (Come and get some)

Boom, boom, boom on your black ass, bitch

You could get the finga, the middle
(Come and get some)
Boom, boom, boom on your black ass, bitch
You could get the finga
