Stars

Khalil

Maybe I've been the problem Maybe I'm the one to blame But even when I turn it off and blame myself The outcome feels the same I've been thinking maybe I've been partly cloudy Maybe I'm the chance of rain And maybe I'm overcast And maybe all my luck's washed down the drain I've been thinking 'bout everyone Everyone you look so lonely But when I look at the stars When I look at the stars When I look at the stars, I see someone else When I look at the stars The stars, I feel like myself Stars looking at a planet Watching entropy and pain And maybe start to wonder How the chaos in our lives could pass as sane I've been thinking 'bout the meaning of resistance Of a hope beyond my own And suddenly the infinite and penitent Begin to look like home I've been thinking ?bout everyone Everyone you look so empty But when I look at the stars When I look at the stars When I look at the stars, I see someone else When I look at the stars The stars, I feel like myself, yeah Stars, stars Everyone, everyone feels so lonely Everyone, yeah everyone feels so empty When I look at the stars When I look at the stars When I look at the stars, I feel like myself When I look at the stars

The stars, I see someone
