

She Gets That Way

[Kenny Chesney](#)

If you see her down at a local bar
Showin' all the signs of a lonely heart
Don't you be concerned, there ain't nothin' wrong
It's not her fault
She gets that way when I'm gone
If she's on the floor for a dance or two
Don't mean she's lookin' for a rendezvous
She'll only be in his arms till the end of the song
There's no harm done
She gets that way when I'm gone
She gets that way but I understand
I know in her heart that I'm her only man
And I can't stand to think of her home all alone
So I really don't mind if she paints the town red
What we feel inside doesn't have to be said
It's a matter of trust and I know our love is strong
That's why I don't worry none
She gets that way when I'm gone
She gets a little restless but I don't mind
'Cause a woman like her
Surely deserves to have herself a real good time
So I really don't mind if she paints the town red
What we feel inside doesn't have to be said
It's a matter of trust and I know our love is strong
That's why I don't worry none
She gets that way when I'm gone
N, it's not her fault
She gets that way when I'm gone
No, there's no harm done
She gets that way when I'm gone
