

To Be Your Honey

[Gemma Hayes](#)

Your love is like a tourniquet
It's wrapped so tightly round my chest
Oh please
Don't leave I'm not scared of the dark
But I'm terrified of those who don't see
Man you make me need Ohhh to be your honey x2 Your love is like a tourniquet
It's wrapped so tightly round my chest
Don't leave I'm not scared of the dark
But I'm terrified of those who don't see
Man you make me need Ohhh to be your honey x2 Honeybee
Ohhh-Ohhh-Ohhhh-Ohhh
Ohhh-Ohhhh
