

My Kind Of Woman

[Justin Moore](#)

She likes and ice cold bud pressed against her hand,
Standin' on the porch lookin' across my land,
Seeing a bass hit that top water,
Knew it was my kind of woman the first time I saw her
She looks good on my tractor, good in my truck,
Good on my bed when the sun comes up,
Shes good with a cane-pole, good with a gun,
Cornbread and sweet tea where shes from,
Shes my kind of woman good as they come,
She'd rather be on a lake than in a mall,
In a duck blind at daylight blowin' that call,
She likes to get hogwild in the middle of the day,
My kind of woman likes to roll in the hay
She looks good on my tractor, good in my truck,
Good on my bed when the sun comes up,
Shes good with a cane-pole, good with a gun,
Cornbread and sweet tea where shes from,
Shes my kind of woman good as they come
Yep yep
