

# Electric Mistress (Instrumental)

[Jamiroquai](#)

Why do I feel this way  
Why do I feel this way  
When we're dancing in a trance  
Your love is at all I take  
Trying to get through to you  
Baby you're a red alert  
I want you more and more  
I want you so bad it hurts[Chorus]  
You seem so disconnected  
But when I turn you on you're so infective  
Pretty Pollys my electric mistress (She's my baby)  
And she's making like a maniac (She's my little maniac)Baby I can't pretend  
Baby I can't pretend  
There's a maniac and it's you  
Your a slave to every group  
there's nothing in your eyes  
Doing what I feel the same  
What am I gonna do  
You keep me under strain[Chorus]
