

C-lebrity (Live In Ukraine)

Queen

Aint got no hope
Got no idea
What to do
Or why Im here
Wanna get my face
On your TV
I wanna be heard
I want to be seenAint got nothin
No
Nothing
Nothin to show
Make me a c-lebrityI want to be
A face on TV
(I wanna be on your screen)
Then you can see
Im a c-lebrityI wanna get my features
In magazines
See this creature on every street
On every screen
Write my life story
Before Im twenty one
I got to tell the world
They may say Im dumb but erAint got nothin
No
Nothing
Nothing to show
Make me a c-lebrityI want to be
A face on TV
(I wanna be on your screen)
Then you can see
Im a c-lebrityI wanna be a star
In a Broadway musical
Theyre gonna love me
I cant sing or dance at all
Some may say Im lackadaisical
And if I was real good
Id stand no chance at allI want to be
A face on TV
(Yeah I wanna be on your screen)

Then you can see
Im a c-lebrity
Then you can say
You knew me one day
Then you will see
Im a c-lebrityC c-lebrity
Wanna be a c c c-lebrity
Make my dream come true
C c-lebrity
Wanna be a c c c c-lebrity
I wanna be heard
I want to be seen
On every TV screen
