

# Mama Nantucket

Michael Nesmith

Whoa, Mama Nantucket, she tried to kick the habit  
But she couldn't and she got stung  
I tried to relieve her  
But she wasn't a believer  
Until she found another one

Da-do-da-li-da-lo-da-la-hee I love it here on the range  
Oh-my-ty-yi-yippee, I would love it more if it changed  
Da-do-da-li-da-lo-da-la-hee I love it here on the range  
Oh-my-ty-yi-yippee, I would love it more if it changed

Oh, Bobby with a dollar, he was sure he found the answer  
But it might take a little time  
Playing follow the leader  
He was sure would be a winner  
But I had other things on my mind

Da-do-da-li-da-lo-da-la-hee I love it here on the range  
Oh-my-ty-yi-yippee, I would love it more if it changed  
Da-do-da-li-da-lo-da-la-hee I love it here on the range  
Oh-my-ty-yi-yippee, I would love it more if it changed

Oh, I see all the people running  
Coming from miles around  
Everybody's singing a different tune  
See them all fall down

Well I don't like to quarrel but what about tomorrow  
Will it be the same as the past  
I keep on hoping that something will happen  
And I hope that it happens fast

Da-do-da-li-da-lo-da-la-hee I love it here on the range  
Oh-my-ty-yi-yippee, I would love it more if it changed  
Da-do-da-li-da-lo-da-la-hee I love it here on the range  
Oh-my-ty-yi-yippee, I would love it more if it changed

Whoa, li-da-lo-da-la-hee, I love it here on the range  
A' oh-my-ty-yi-yippee, I would love it more if it changed  
Da-do-da-li-da-lo-da-la-hee I love it here on the range

Oh-my-ty-yi-yippee, I would love it more if it changed

Yes, I'd love it more if it changed!
