

# Best of Both Worlds

## Miley Cyrus

Oh yea  
Come on You get the limo out front  
Hottest styles, every shoe, every color Yea when your famous it can be kinda fun  
It's really you but no one ever discovers In some ways you're just like all your friends  
But on stage you're a star You get the best of both worlds  
Chillin' out, take it slow  
Then you rock out the show You get the best of both worlds  
Mix it all together and you know that  
It's the best of both worlds  
The best of both worlds You go the movie premiers  
(Is that Orlando Bloom?)  
Hear your songs on the radio  
Livin' two lives is a little weird  
But school's cool cuz nobody knows Yea you get to be a small town girl  
But big time when you play your guitar You get the best of both worlds  
Chillin' out take it slow  
Then you rock out the show You get the best of both worlds  
Mix it all together and you know that  
It's the best of both  
You know the best of both worlds Pictures and autographs  
You get your face in all the magazines  
The best part's that  
You get to be who ever you wanna be Yea best of both  
You get the best of both  
Come on, best of both Who would of thought that a girl like me  
Would double as a superstar? You get the best of both worlds  
Chillin' out, take it slow  
Then you rock out the show You get the best of both worlds  
Mix it all together and you know that  
It's the best You get the best of both worlds  
Without the shades and the hair  
You can go anywhere You get the best of both girls  
Mix it all together  
Oh yea  
It's so much better cuz you know  
You've got the best of both worlds
