Together

Soviet Soviet

Everyday I want
Together we walk alone
I love you when you're dead
Loving you is a secret for herEveryday I kiss you around
And everyday you kiss me I cum
I love you when you're dead
I love you, love me, like meOh everything's so far
And maybe you live so hard
I love you when you're dead
I love you, love me, like meI want you close to me
And since you made me glad
I've run away
I want you close to me
And since you made me glad
I've run away
Everyday I want
Together we walk alone
I love you when you're dead
I love you, love me.
