Hey L.A

Ryan Beatty

Line on the front
Hey, hey listen meet you there
Alright cool
I'll meet you there
ByeFirst time I saw you I
was kinda taken by surprise.
You were,
sun kissed so full of bliss,
you really had me memorized.
And now it's,
somethin' 'bout the way you do,
where you knock me off my feet.
I'm lost inside of you,
and I don't think I can leave.You already had me at hello.I said, hey, L.A,
it's really really nice to meet ya.
If it's okay, I think I'll stay,
cause I just wanna have some fun.
Top down just chillin' on the west side,
hands up get ready for a good time,
hey, L.A, it's really really nice to meet ya.Somebody pinch me now,
cause it's kinda feelin' like a dream.
I got shades on my head,
my feet in the sand,
I ain't worried 'bout a thing.
When the sun goes down and the lights come on,
you got me feelin' just like a star.
And no matter where you go, you'll always have my heart.You already had me at hello.I said, hey, L.A,
it's really really nice to meet ya.
If it's okay, I think I'll stay,
cause I just wanna have some fun.
Top down just chillin' on the west side,
hands up get ready for a good time,
hey, L.A, it's really really nice to meet ya.Now if you can make it here,
you can make it anywhere, oh oh.
It's not always easy,
but there's no place that I'd rather be.I said, hey, L.A,
it's really really nice to meet ya.
If it's okay, I think I'll stay,
cause I just wanna have some fun.

Top down just chillin' on the west side (west side),
hands up get ready for a good time,
hey, L.A (L.A.), it's really really nice to meet ya.La la la la, L.A.
La la la la la,
really really nice to meet ya,
La la la la.
Cause I just wanna have some fun.Top down just chillin' on the west side,
hands up get ready for a good time, (ready for a good time)
hey, (L.A), it's really really cool to be here yeah.(Hey L.A.)I'll meet you at In 'N' Out.
Then let's go to the beach!
I'm in L.A!
Woo!We gonna have some fun.
Top down just chillin' on the west side (on the west side)
Hands up get ready for a good time (good time).
