

Mirrors Don't Lie

[Marty Stuart](#)

Mirrors don't lie, a mirror won't lie
So don't be lookin' if you can't stand to see
Mirrors don't lie, a mirror won't lie
I know it's so 'cause one just told the truth on me
Facing music won't be easy
Cause wine and roses leave a jagged scar
I thought I knew just where to quit, draw the line
But today I know for sure I've gone too far
Mirrors don't lie, a mirror won't lie
So don't be lookin' if you can't stand to see
Mirrors don't lie, a mirror won't lie
I know it's so 'cause one just told the truth on me
Now tracing my footsteps won't be easy
Cause wine and roses leave a clouded mind
I never worried much 'bout night before
Cause the mornin' after left me nearly blind
