This Ain't Pleasure

L7

No raving beauty
But she's got a good heart
He's got escaping
Down to an artThis ain't pleasure
Don't ask why
This ain't pleasure
And monkeys can't flyShe's an infection
A stain on his soul
He's her addiction
They're out of controlThis ain't pleasure
Don't ask why
This ain't pleasure
And monkeys can't fly, oh noThis ain't pleasure
Don't ask why
This ain't pleasure
And monkeys can't fly
