

# Dancing In The Dark

**Barry Manilow**

Dancing in the dark  
Till the tune ends we're dancing in the dark  
And it soon ends we're waltzing in the wonder of why we're here  
Time hurries by, we're here and goneLooking for the light  
Of a new love to brighten up the night  
I have you, love and we can face the music together  
Dancing in the darkWhat though love is old, what though song is old  
Through them we can be young  
Hear this heart of mine, make your's part of mine  
Dear one, tell me that we're oneWe're waltzing in the wonder of why we're here  
Time hurries by, we're here and gone  
We're looking for the light of a new love to brighten up the night  
I have you, love and we can face the music togetherDancing in the dark  
Dancing in the dark  
Dancing in the dark
