

Love Is a Mutt from Hell

Wheatus

This is a story about a friend of mine; He is abnormally intelligent; He could bust a phatty rhyme, even when he got up in the blunt; But that all changed when the girl who he lives with came to town, He let her take him away from me so I had to ask him how; That's when he said, "She takes advantage of me! She takes advantage of me! "She takes advantage of me! She takes advantage of me! She even knows when I pee! I think eventually she'll make a meal out of me." [Chorus]

Because her love is a mutt from hell that I can't live without; "Your love is a mutt from hell that I can't live without; One of these days I swear I'm gonna get out; 'Til then your love is a mutt from hell that I can't live without. That's why I'm talking to you now. Sarah lives with Bradley now, I guess that is how she wants her shit; He needed a place to stay, so it's of mutual benefit; I stopped by on my way to Pomona yesterday; She sat down and spilled her guts to me; That's when I thought she would tell me she's gay; Instead she said, "He takes advantage of me! He takes advantage of me! He takes advantage of me! He takes advantage of me! He even knows when I pee! I think eventually he'll make a meal out of me." [Chorus] That's why I'm talking to you now; Talking to; That's why I'm talking to, That's why I'm talking to. Talking to; That's why I'm talking to, That's why I'm talking, talking, talking to you NOW! Because, your love is a mutt from hell that I can't live without.
