At the End of the Rainbow

Hammerfall

As long as I remember
We've marched across this land
(Oh, oh, oh)
Reached for a new horizon
Pulled by the killing hand
(Oh, oh, oh)
All fed up with lies
The time has come
To break these chains and flyHere we stand, bound forever more
We're out of this world, until the end
Here we are, mighty, glorious
At the end of the rainbow
With gold in our handsWe know the treasure lies
Beyond the pouring rain
(Oh, oh, oh)
Our quest will last forever
For you it's all the same
(Oh, oh, oh)
No one can deny
Our future's set
To reach above the skyHere we stand, bound forever more
We're out of this world, until the end
Here we are, mighty, glorious
At the end of the rainbow
With gold in our handsLet's fly away through the rain
Fly high, to ease the burning pain
Oh, the colors fading out
The light is shining in the night
It's up to you, it's worth the fight
Search before the colors fadeHere we stand, bound forever more
We're out of this world, until the end
Here we are, mighty, glorious
At the end of the rainbow
With gold in our handsHere we stand, bound forever more
We're out of this world, until the end
Here we are, mighty, glorious
At the end of the rainbow
With gold in our hands
