

Pinata

Montgomery

I don't feel okay with you
You know what you've done but you keep coming back
 Force it on the weak ones who
 Keep letting you do what you doI'm your piÃ±ata
 Crack me open like you always do
 Say you're only bringing the best out of me
 But you break me, yeah
 You break me, yeahI don't need a second clue
 I know what they want if they keep coming back
 I usually know what to do
 This time I let him hang me upI'm your piÃ±ata
 Crack me open like you always do
 Say you're only bringing the best out of me
 But you break me, yeah
 You break meI'm your piÃ±ata
 Crack me open like you always do
 I'm your piÃ±ata
 Crack me open like you always doBut you break me
 Yeah you break me
 I'm your piÃ±ata
 Crack me open like you always do
