

Worried Man Blues

[Ralph Stanley](#)

It takes a worried man to sing a worried song
It takes a worried man to sing a worried song
It takes a worried man to sing a worried song
I'm worried now but I won't be worried long I went across the river, laid me down to sleep
I went across the river, laid me down to sleep
I went across the river, laid me down to sleep
When I woke up, I had shackles on my feet Don't you know
It takes a worried man to sing a worried song
It takes a worried man to sing a worried song
It takes a worried man to sing a worried song
I'm worried now but I won't be worried long I asked that judge, what's gonna be my fine?
I asked that judge, what's gonna be my fine?
I asked that judge, what's gonna be my fine?
Twenty one years on the Rocky Mountain line Oh, it takes a worried man to sing a worried song
It takes a worried man to sing a worried song
It takes a worried man to sing a worried song
I'm worried now but I won't be worried long Well the train I ride, it's twenty one coaches long
The train I ride is twenty one coaches long
The train I ride is twenty one coaches long
The woman I love she's on that train and gone Oh, it takes a worried man to sing a worried song
It takes a worried man to sing a worried song
It takes a worried man to sing a worried song
I'm worried now but I won't be worried long I'm worried now but I won't be worried long
