

Who Are the Mystery Girls

New York Dolls

Who's the one that wants to take her home and make 'em say they want to stay a year
Who's the one that wants to take 'em home and make 'em crawl right through the years

Oh baby

Who's the one that wants to slam it in the door and try to keep it Like a mystery girl

Who's the one that wants to kick it on the floor and try to beat it like a scattered rug

I'm talkin' 'bout love

(who are the mystery girls)'Cause I want to know

(who are the mystery girls)

So why don't cha tell me

(who are the mystery girls)Who's the mystery girls

(who are the mystery girls)

So Who's the one that wants to smoke obsessively and tell 'em where she can roam

Who's the one that's wants to mill out in the street and leave 'em shouting "yankee go home"See'mon tell me

Who's the one that wants to slam it in the door and try to hide it

She's a mystery girl

Who's the one that wants to kick it on the floor and try to treat it like a scattered rugI'm talkin' 'bout love

(who are the mystery girls)

'Cause I want to know

(who are the mystery girls)What do ya know about love

(who are the mystery girls)

Who's the mystery girls

(who are the mystery girls)So who's the one that wants to tell 'em what's wrong and tell 'em what don't belong

I don't know what's goin' on but I KNOW THAT I'VE BEEN LONGIN' FOR SOME

Who's the one that wants to slam it in the door and try to hide it

Like a mystery girlWho's the one that wants to kick it on the floor and try to beat it like a scattered rug

I'm talkin' 'bout love

(who are the mystery girls)

'Cause I want to know(who are the mystery girls)

So why don't cha tell me

(who are the mystery girls)

Who's the mystery girls(who are the mystery girls)
