Bye

The Sixties

Oh, yeah
Let the band play one time nowIt was early one morning
I was on my way to school
Early one morning
I was on my way to school
Got lost on monday morning
I broke my teachers ruleI was in love with you, baby
Before I learned to call your name
I was in love with you, baby
Before I learned to call your name
Now you're in love with someone else
You're bound to drive poor me insaneOh, yeah ( )
I said bye, bye bye, baby, bye bye
I said bye, bye bye, baby, bye, bye
Ha ha
I said bye, bye bye, baby, bye, bye
Bring it down here
I said bye, bye bye, baby, bye, bye
Bye, bye bye, baby, bye, bye
I said bye, bye bye, baby, bye, bye
Yeah
Bye, bye bye, baby, bye, bye
Bye, bye bye, baby, bye, bye
I said bye, bye bye, baby, bye, bye
