Murder, House Of Love

Lollipop Lust Kill

Crimson love girl in my bedroom, will you be my valentine?
I can whip you, you can beat me, torture me till hell is mine
Crimson love girl in my bedroom, will you be my valentine?
I can you whip you, you can kill me, death by you would be divine
Tell me that you're gonna be my crimson love girl
Beat me till I bleed now, please my crimson love girl
Fuck me till I'm dead, I said my crimson love girl, yeah
Your satisfaction is guaranteed, your life is all I will ever, will ever need
Pure pleasure will be yours as I tempt you with my whores
Hanging in the city, flashing neon lights
Well girl, you're looking pretty, you're Satan's virgin wife
Gimme, gimme, gimme sweet virginity
Devil's got a special number just for me
Gimme, gimme, gimme sweet virginity
Devil's got a special number just for me
Gimme, gimme, gimme sweet virginity
Devil's got a special number just for me
Gimme, gimme, sweet virginity
Devil's got a number just for me
Crimson love girl in my bedroom, will you be my valentine?
I can whip you, you can beat me, torture me till hell is mine

Crimson love girl in my bedroom, will you be my valentine?
I can whip you, you can fuck me, death by you would be divine
Tell me that you're gonna be my crimson love girl
Beat me till I bleed now please my crimson love girl
Fuck me till I'm dead, I said my crimson love girl, yeah
Murder, house of love, murder, house of love
Murder, house of love, murder, house of love
Murder, house of love, murder, house of love
I'll be hanging in the city, flashing neon lights
Well, girl you're looking so fuckin pretty, you're Satan's virgin wife
Gimme, gimme, gimme sweet virginity
Devil's got a special number just for me
Gimme, gimme, gimme sweet virginity
Devil's got a special number just for me
Gimme, gimme, gimme sweet virginity
Devil's got a special number just for me
Gimme, gimme, gimme, gimme sweet virginity

The devil's got a special motherfuckin' number just for me
Yeah, oh yeah
