Walk the World

Lil B

Verse:
God as we walk this world,
We want to be a sign
Our prayers flow into love,
Giving your lifePre-Chorus:
Broken but singing
Our hearts keep shiningChorus:
Let my life shine, come and let my heart shine
We're going to walk the world and lift the bread and wine
Like the stars shine, come and let our hearts shine
In a dark world, we lift the bread and wineVerse 2:
And we were born for this
Born for this day and time
Our prayers flow into love
Giving our lives
