

# Lazy Afternoon

[Rich Price](#)

It's a lazy afternoon  
And the beetle bugs are zooming  
And the tulip trees are blooming  
And there's not another human in view  
But us twoIt's a lazy afternoon  
And the farmer leaves his reaping  
And the meadow cows are sleeping  
And the speckled trouts stop leaping up stream  
As we dreamA far pink cloud hangs over the hill  
Unfolding like a rose  
If you hold my hand and sit real still  
You can hear the grass as it growsIt's a hazy afternoon  
And I know a place that's quiet  
Except for daisies running riot  
And there's no one passing by it to see  
Come spend this lazy afternoon with me
