Black Suit Zombie

Phazer

Shout. Shout. Shout.
Shout. Shout!

I went up. I earned it.
I conquered everything.
All the wants I wanted
had a price underneath

Take one of these new kings
look at their marked wrists
look at their sleepless eyes
Listen to what they say

Open your mind,
Canâ€™t get away,
Driving Insane,
You Say,

I remember of anyone,
I feel good

I tied up, I feared
The shining golden rope
My time is exhausted
I need it as my dope

Travel beyond your past
And see what still remains
Before your nearest blast
Listen to what they say

Open your mind,
Canâ€™t get away,
Driving Insane,
You Say,

I remember of anyone,
I feel good

Open your mind,

Canâ€™t get away,
Driving Insane,
You Say,

Hey, now theyâ€™re coming to get you;
Hey, now they call you cracked;
Hey, now they call you abstracted;
Hey, now theyâ€™re coming to get you!

Open your mind,
Canâ€™t get away,
Driving Insane,
You Say,

I remember of anyone,
I feel good

Open your mind,
Driving Insane,
Open your mind,

Driving Insane
