

Pistol Whipped

BV' 2012

You look so pretty
when you cry.
Don't wanna hit you
but the only thing,
between our love is
(1) a bloody nose
(2) a busted lip
and
(3) a blackened eye

You look so pretty
when you cry.
Don't wanna hit you
but the only thing,
between our love is
(1) a bloody nose
(2) a busted lip
and
(3) a blackened eye

You're a little pistol
and I'm fucking pistol whipped
You're a little pistol
and I'm fucking pistol whipped

(cock, cock, cock it)

When I undo my belt,
you melt and you walk away
with a red, red, red welt
(or so they say)

When I undo my belt,
you melt and you walk away
with a red, red, red welt
(or so they say)

You're a little pistol
and I'm fucking pistol whipped

You're a little pistol
and I'm fucking pistol whipped

I wanna have your ache
and beat you too

I wanna have your ache
and beat you too

I wanna have your ache
and beat you too

I wanna have your ache
and beat you too

You're a little pistol
and I'm fucking pistol whipped
You're a little pistol
and I'm fucking pistol whipped

(cock, cock, cock it)
