

# Bone Breaker

## Bunny Bronco Jr

He bursts their heads till they die  
You feel so mad you're feeling so high  
He arrives he's sent from hell  
Running wild by the sound of the bellBonebreaker he takes your life  
Bonebreaker he eats out your heart  
Bonebreaker he is your death  
BonebreakerTonight you'll beat 'em down  
Tear to shreds and shoot 'em down  
When he's down you've got the right feel  
He bursts your head with his blade of steel
