Solo

Demi Lovato

You speak to me and in your words I hear a melody
But in the twilight it's so hard to see what's wrong for me
I can't resist until you give the truth a little twist
As if you're gonna get away with this, you're not sorry
I can't believe I fell for this
I fell through the hole down at the bottom of your soul
Didn't think you could go so low
Look at what you've done, you're losing me, here's what you've won
Got me planning to go solo, solo
You sing to me, too bad you couldn't even stay on key
If real life is such a mystery why don't you just stick to acting?
Oh, here we go again, you couldn't find my number until when
You thought that you could get to my best friend
Without a script your game is lacking

I can't believe I fell for this
I fell through the hole down at the bottom of your soul
Didn't think you could go so low
Look at what you've done, you're losing me, here's what you've won
Got me planning to go solo, solo
I'd rather go out to a party alone
Than have to walk around with you on my arm
Now that I'm proud to admit that we're done
Good luck, trying to find me
'Cause I didn't think you could go so low
Look at what you've done, you're losing me, here's what you've won
Got me planning to go solo
Now we're done
'Cause you got me planning to go solo, solo, solo, solo
