

Elder Green Blues

Charley Patton

Green isâ€¦ Elder Green is gone
Gone way down the country with his long coat on
With his long coat on (2)
Gone way down the country with his long coat on
Elder Green told the Deacon, â€œLetâ€™s go down in Prayer
Thereâ€™s a big â€˜sociation in New Orleans, come and letâ€™s go there
Con and letâ€™s go there (2)
Thereâ€™s a big â€˜sociation in New Orleans, come and letâ€™s go there
I love to fuss and fight (2)
Lord and get sloppy drunk off a Bottle anâ€™ Bond
And walk the streets all night
And walk the streets all night (2)
Lord and get sloppy drunk off a Bottle anâ€™ Bond
And walk the streets all nightâ€•
Elder Green told the deacon, â€œSettle down in prayer
You can tak the thing I got
Almost anywhere, yeah most anywhere
You can take all summer and walk anywhere.â€•
Elder Green is gone. Elder Green is gone
Gone way down the country with his long coat on
If youâ€™ve got a woman, or raise her to your hand
Keep away from my woman, Molly â€˜ham is lonesome
Molly Cunningham
Molly Cunningham (2)
Keep away from my woman, Molly â€˜ham is lonesome, Mollyâ€™
I love to fuss and fight (2)
Lord and get sloppy drunk off a Bottle anâ€™ Bond
And walk the streets at night
