

# I'll Be There

Chris Wallace

You and I must make a pact, we must bring salvation back  
And if you need me, oh I'll be there

When I was a little boy, my grandfather said to me  
He said, "help your friends and neighbors to live in harmony"  
When a man walks in darkness and he stumbles right from wrong  
You should be his brother and help him along

Take the time to look around, brothers on the ground  
Please don't look the other way  
Listen to what, what I, what I have to say  
When I was a little boy, my grandfather said to me  
He said, "help your friends and neighbors to live in harmony"

[Instrumental]

Haina 'ia mai ana kapuana  
When I was a keiki, my tutu kane said to me  
He said, "help your friends and neighbors to live in harmony"  
When a man walks in darkness and he stumbles right from wrong  
You should be his brother and help him all along

I'll be there to help you through  
You'll have faith in all I do  
Just call my name and I'll be there
