Hisingen Blues

Graveyard

Going by the riot
Call the rest a stone
Leading to the isle
I don't wanna goNothing really matters
Even life or death
Meeting with the man
To feel the dragons breathWhere is the future?
There is no past
Only the present
And will it last?Greed is the product
Of the fruitful days
Brother have no worries
Captain Adler's caseLucifer beside me
We are holding hands
I don't need to travel
[Unverified] across the landOh Lucifer, please take my hand
Oh Lucifer gonna take my hand
(Yup)
