Don't Go Believing

Hear'say

Written by Ray Hedges / Nigel Butler / Hear'Say
Everything about you babe just makes sense
You're my sweet memory, that's right (that's right)
Every time I'm without you I reminisce
About the way we kissed that night
You got nothing more to prove
(You got nothing more to prove)
My heart will always belong to you
Don't go believing
I could never lose my love for you
Well need to let you know
It's my heart you're stealing
I gladly give it up for free
Baby you are everything I need
Don't pretend that you can't see what's going on
You know where you belong, with me (oh yeah)
There's something shining in your eyes
Portrays the truth, I'll take the rough the smooth, you'll see
You got nothing more to prove

(You got nothing more to prove) oh yeah
My heart will always belong to you
Don't go believing
I could never lose my love for you
Well I need to let you know
It's my heart you're stealing
I gladly give if up for free
Baby you are everything I need
Never knew what this felt like
You're my angel in oh so many ways
Don't you know what you're doing
I want you to stay (stay yeah)
Don't go believing
I could never lose my love for you
Well I need to let you know
It's my heart you're stealing
I gladly give it up for free
Baby you are everything I need
