

# Now That You're Gone

## Ryan Adams & The Cardinals

[Intro:] It's a tough one right here  
A real tough one  
For everybody that lost somebody  
Ya know

[Chorus:] What will I do baby, now that you're gone  
You're gone  
What will I do baby, not that you're gone (Gone)  
You're gone (Gone)

[Southstar talking over chorus] What am I gonna do?  
You know I miss you  
You know I love you ma

[Smilez (Southstar)] Dear mom, I know you're proud your sons doing good (Yeah)  
But I return it all for just one hug ( I would)  
Your oldest son and daughter they doing good  
We all sticking together like we should (Family)  
Introduce me to the lord when I have no cares  
Mad at the world like life ain't fair  
I remember you said only the lord I should fear (I do)  
And with that my stormy weather would be clear  
Lord how could you take somethin' so precious  
Against our prayers, cares, and strong wishes (How could you)  
I know now ma you livin' through your kids  
And if I look at my heart there you is  
I can't believe that you're gone you was my best friend  
My mother my father everything that I am (Word)  
I love you, mom you's my guardian angel  
I can't wait to see your pretty face real soon (Rest in peace)

[Chorus][Southstar] 1999, I lost my son  
That day I felt I lost my mind  
Victim of a still birth, man it still hurt  
Until this day memories still lurk (Yeah)  
I think to myself 'bout what could it been (Uh-huh)  
It makes me realize that life is thin

And I promise that you'll always live on  
Especially, with your name tattooed on my arm  
And Breaks, dog I can't believe that you're gone  
Can't believe I gotta mention your name on this song (Man)  
Seems like yesterday we was jokin' around

Always had a smile on your face, never a frown (Yeah)  
You told me, "Star keep holdin' it down"  
You got too much talent to be quittin' it now  
So, cause of you I stayed in this game (That's right)  
I'ma make sure no one forgets your name (Rest in peace Breaks)  
[Chorus][Southstar]I still don't know how I got by (Uh)  
All of these hard times I took it and strive  
Turn to the pad grab my pen (Uh-huh)  
And said that "I would enjoy my life to the end (That's right)  
And no matter what, I keep my head up  
Pursue my dreams and never get fed up  
So, when I hear this put up my fist (Yeah)  
To let ya know that you'll always be miss (Oh)  
[Smilez]It took so long to write these stors  
It's so dang hard to lose a love  
I'm gon' stay strong and pray to the lord  
Cause everything he does is for a cause (Yeah)  
Adam Ikenser, that was my dog (My nigga)  
I won't forget those wild times in football  
You won't be forgotten man, that's for sure  
Pour out a little liquor for all of ya

[Chorus 2x][Outro:][Southstar and (Smilez) talking in background of chorus]Yeah, dedicate this one to my son

Malik

Rest in peace I see you baby  
(Yeah, dedicate this one to my mother Gloria  
I miss you, I miss you)  
To my dog Breaks I knows you're watchin' my back  
I always watch yours, you heard Yeah  
(My man Adam Ikenser and my dog, we all miss you  
Man all your boys miss you know that man, uh)
